A Powerful Global MDM/PIM Partnership

IN PARTNERSHIP WITH

Amplifi and Stibo Systems have a strategic relationship that was built even before Amplifi was formed. Our founding partners all met during an enterprise Stibo Systems implementation.

Today, we have one of the largest Stibo Systems delivery capabilities globally. We have 39 combined customers and our consulting team have been involved with over 150 Stibo Systems implementations.

As a Premier Partner – the highest level of partnership awarded – we are the best choice to implement, enhance and support Stibo Systems leading MDM technology across businesses in multiple sectors.

If you are looking to implement Stibo Systems technology or get the most value out of your existing implementation, I am sure Amplifi can help.

IN PARTNERSHIP WITH

Amplifi are one of Stibo Systems' only Premier partners globally and the leading UK partner. Pairing Stibo Systems' technology with Amplifi's expertise of managing your business data means our partnership can enhance your master data management, product information management and more. We implement, configure and support Stibo Systems' MDM solutions to meet the needs of our customers.

Amplifi is a specialist consultancy providing Advisory, Delivery and Support services for data management, data governance and data quality.

We are driven by business outcome and long-term success for our clients. We are not just another system integrator but a strategic partner invested in delivering solutions that align to your business objectives.

Stibo Systems, the master data management company, is the trusted source of MDM.

Their solutions are the driving force behind forward thinking companies around the world that have unlocked the strategic value of their master data, empowering them to improve the customer experience, drive innovation and growth and create an essential foundation for digital transformation.

"Amplifi and Stibo Systems have developed a strategic relationship since 2015. Together we have delivered high quality data management solutions for clients that have delivered real value to their business."

Jorge Soares, VP Channel & Alliances EMEA, Stibo Systems
